

SURYA PRATAP YADAV

FULL-STACK WEB/MOBILE DEVELOPER

PROFESSIONAL SUMMARY

I am a Frontend-Heavy Full Stack Web / Mobile Developer with 2+ years of experience currently serving as a Web / Mobile Developer in Thinkzy tech. I have a proven track record of leading teams and delivering successful MVPs in the fast-paced startup environment. My expertise in frontend technologies, such as JavaScript, ReactJS, and React Native, has helped me to create user-friendly and visually appealing software products. I am passionate about staying up-to-date with the latest front-end and backend technologies and best practices, and I am always looking for ways to improve my skills and knowledge.
